

Read-Me!

The Committee

Katie Howe
Janet Maughan
Phil Allcock

A member of the committee will be on duty at all times (barring perhaps getting some sleep overnight!) and will be wearing, or otherwise have about their person, a certain fluffy little monster hat....

Food and Drink

The bar menu will be available during the day. See the Programme Book for more details. Please note that the hotel has indicated that the items on the list will be available 15 minutes from ordering, except the burger with a longer cooking time.

On Friday and Saturday a hot buffet meal will be available in the hotel restaurant, with one-, two-, and three-course options for varying appetites and budgets. Please see the Programme Book for details. The hotel is aware that they have guests with special food requirements - if in doubt, please ask the staff, and do let them know about special requirements including allergies, as they will prepare things to meet such requirements wherever possible, or warn you as to what to avoid.

Ale and cider will be available in the upper bar - please drink it!* We're hoping that the sag in sales last year is at least in part down to a high rate of last-minute cancellations. Both bars will of course be available through the day. The upper bar should be staffed, at least until demand slows down, but someone will come from the lower bar when needed.

*The ale and cider, that is. The hotel would prefer us to leave the bar itself intact.

Main Concert, Informal One-Shots, and Sams

Please sign up for the main concert and/or a slot in the informal lunchtime concert at the registration desk. Sign-up will be open until 12 noon on Saturday, or until all the spots are taken, whichever comes first.

Nominations for Sams Awards close at 12:30 pm on Sunday.

The Programme: Friday

Time	Main	Alternative	Time
Friday			
15:00-19:30	Tech setup		15:00-19:30
