

Van der Filk

UK Filkcon 2010

5th to 7th February 2010

Ramada Grantham Hotel, Grantham, Lincolnshire
Guests of Honour – Vixy&Tony(US) and Gwen Knighton Raftery(UK)

Location: The Ramada (formerly Marriott) hotel in Grantham will be familiar to regular UK filkcon attendees, since we have been there several years. It is situated just off the A1 main north road, near the Grantham railway station on the main east coast railway line, and is under 40 miles from the East Midlands airport.

Guests of Honour:

Vixy and Tony are a pair of Seattle based filkers who have been wowing audiences on the far side of the pond for several years now, as well as producing their brilliant debut album 'Thirteen', and helping out on other folks' recordings. We figured it was time we brought them over for European audiences to share.

Gwen is our very own imported American solo artist, as well as being founder member of Three Weird Sisters. It's our gain that she married Joe and moved over here, so we get to enjoy her harp playing, rich distinctive voice and songwriting, as displayed on her album 'Box of Faries', at close quarters.

Membership rates: £32 / US\$46 / €36 full, £16 / US\$23 / €18 supporting / unwaged / child, £1 / US\$1 / €1 infant (under 6) or soft toy.
